Year 1 Term 1 Home Learning Project

Please choose one of the following activities for Home Learning over this term.

Please return your home learning to school, or upload it to Seesaw by 19th October 2026 so that children can share to the class.

Record yourself making your own weather forecast and upload it onto Seesaw. 	Create your own weather map of the UK. 
Make an information poster about the South Pole and the animals that live there. 	Design a boat for the penguin to return home using our English story 'Lost and Found'.
